Service Standards have been developed in consultation with customers in order that customers have a clear understanding on what standard of service they can expect us to deliver.

We closely monitor how we perform against all service standards. The Service Improvement and Review Group made up of tenants and officers also review these standards to ensure that customers are receiving the standard of service they expect.

If you are interested in helping us monitor and review Service Standards we would be delighted to hear from you.

Please contact the Customer Relationship Team on 0191 385 1450 or email lisacoverdale@cestria.org
